

BILL HB1291

FAVORABLE WITH AMENDMENTS

As a parent of 5 here in Southern Maryland, I will continue to homeschool my children if there are policies in place to add more vaccines or require masks. If there covid 19 vaccines added to the schedule, I will not re-enroll any of my children like I have potentially planned to do.

REMOVE SECTION:

[26 (b) (1) Unless the Secretary of Health declares an emergency or an epidemic
27 of disease,] a child whose parent or guardian objects to immunization on the ground that it
28 conflicts with the parent's or guardian's bona fide religious beliefs and practices may not
29 be required to present a physician's certification of immunization in order to be admitted
30 to school.

Thank you for your time and hard work.
