Downfalls of Slow Drivers in the Left Lane

- ▶ Research shows that two cars riding side-by-side going the same speed can result in major traffic buildups¹
- ▶ You might remember from years ago the moving road block on I-95, creating congestion

¹<https://yellowhammernews.com/move-alabama-reasons-stay-left-lane/>

- ▶ The more congestion, the higher risk of accidents
- ▶ Slow drivers in the left lane force motorists who want to pass, to pass on the right and to dart around traffic to move forward

How Does Advising the Left Lane for Passing help?

Advising the left lane for passing educates Maryland drivers of safe driving habits

Road Rage Is An Issue

- ▶ “Those who stake out permanent positions in the left lane tend to provoke other cars to drive faster, often giving them no other choice but the dangerous strategy of passing on the right.”

- Lauren Fix, Forbes Magazine

How Would It Be Enforced?

- ▶ It would not be enforced
- ▶ The law simply places signs along rural interstates advising motorists of safe driving habits

Educating Drivers

- ▶ This bill focuses heavily on educating drivers
- ▶ The State Highway Administration would be required to educate drivers about the new policy by:
 - ▶ Placing and maintaining signs at regular intervals on appropriate highways
 - ▶ Using the Dynamic Message Sign System located throughout the state

Other States

- ▶ Maryland is one of only a few states that allows drivers to use the left lane other than for passing
- ▶ By placing signs along Maryland rural highway, we are educating drivers which will help them to avoid getting stopped in other states that do enforce this a law

Be Courteous

- ▶ It is courteous to move over into the right lanes when you do not have an immediate reason to be in the left lane
- ▶ By allowing others to pass, and helping relieve congestion, drivers will experience a more pleasant and more efficient drive

By passing SB 416,
we will be voting to create
safer interstates, reduce
congestion, and encourage
more courteous driving

Please Vote Favorably
For SB 416
