Dear Chair Atterbeary and Members of the House Ways and Means Committee,  
I am writing in support of HB432, which will increase the annual amount of tax credits available for film production in Maryland.

Plus One Rentals is a small and growing Howard County business. We specialize in film production supply rentals. We have been in business working on Maryland productions for 10 years. Big movies and television shows are our lifeline and our best chance to grow.

Major 2021 productions like FOX's *The Spook Who Sat By The Door* and HBO's *We Own The City* allowed Plus One to expand our equipment offerings, hire new employees and give raises to current employees. When lawmakers provide us with favorable economic conditions, we invest in Maryland workers.

Please put your support behind HB432.

Sincerely,

*Alexander Vogan*
