**Re: HB0051: Department of Transportation - Consolidated  
Transportation Program and Debt Limit of Grant Anticipation  
Revenue Vehicle Bonds (State and Federal Transportation Funding  
Act)**

Dear Chair Barnes and Committee Members:

The College Park City Council voted unanimously during our meeting of February 14, 2023 to support HB0051. This bill would allow MDOT to issue bonds backed by future federal aid for specific transit projects such as the Baltimore Red Line, purchasing electric buses, and improving MARC service. It is important to improve transit services using this and other funding tools.

Thank you for your consideration of the City's position.

Sincerely,

A handwritten signature in blue ink that reads "Pat. Wojahn".
