HB308 - Police Retention Workgroup

Dear Chair Barnes & Vice Chair Chang,

On 2/7, I introduced HB308 before the House Appropriations Committee. This bill would establish a Police Retention Workgroup to study issues and factors potentially contributing to the decline in police officer retention statewide. No unfavorable testimony was submitted or presented and I submitted an amendment to satisfy all parties who submitted FWA testimony. **The crossfile, SB18, recently passed the Senate unanimously.** Please let me know if you have questions about this bill and if there is any additional information you need prior to crossover.

Thank you,
