

HB0131 UNFAVORABLE

Dear Delegates,

Your Chair & Vice-Chair, both homosexuals, have ignored a truism.

A bill should never start by REPEALING this.....

“Sexual molestation or exploitation includes:

(1) Allowing or encouraging a child to engage in Unnatural or perverted sexual practices”.

This has been law of Maryland for as long as any of us has been alive. There is no justification for a bill that allows “encouraging a child to engage in unnatural or perverted sexual practice”.

Delegate Moon's & Clippinger’s bill wants to REPEAL this filthy business?

“(a) A person may not:

(1) take the sexual organ of another or of an animal in the person’s mouth;

(2) place the person’s sexual organ in the mouth of another or of an animal;

(3) commit another unnatural or perverted sexual practice with another or with an animal”

This is the straight line of LGBTQ, bestiality and pedophilia.

It is staggering that someone would need to ask this vote to be UNFAVORABLE. This bill would open loopholes that endanger children and aims to make unnatural, kink and perverted practices EVER PRESENT in your & your children's faces.

You have the ability to keep this perversion from our state's children.

Delegates, you have the ability to reign in your leadership,

to ask them not to place you in this position,

to ask them to repent of this perverse track.
