

Thank you for putting this bill forward. It is imperative that the public, especially parents and guardians to be involved in meetings related to and regarding the education of the children of this county, for which the tax payers fund. It is not appropriate for a parent or guardian or any constituent for that matter, to not have access to and information about the public school curriculum or other school content. The fact that school content expands well beyond core subjects (math, reading, science, etc) and into social topics that in some cases have no place in school is troublesome at best. It seemingly makes very little sense to not have input or inclusion of the population you are serving. Furthermore, parents have the fundamental right to direct the EDUCATION.

Establishing that a parent has the fundamental right to direct the upbringing, education, care, and welfare of the parent's child; prohibiting the State or a political subdivision from infringing on a parent's fundamental right to direct the upbringing, education, care, and welfare of the parent's child unless the
