

Bill Title: House Bill 181, Landlord and Tenant – Repossession for Failure to Pay Rent – Shielding of Court Records

Committee: Environment and Transportation

Date: February 20, 2024

Position: Favorable

This testimony is offered on behalf of the Maryland Multi-Housing Association (MMHA). MMHA is a professional trade association established in 1996, whose members consist of owners and managers of more than 210,000 rental housing homes in over 958 apartment communities. Our members house over 538,000 residents of the State of Maryland. MMHA also represents over 250 associate member companies who supply goods and services to the multi-housing industry.

Under House Bill 181, a landlord may not increase a tenant's rent solely because a judgment was entered against the tenant in a failure to pay rent action. Further, within 60 days after the final resolution of a failure to pay rent proceeding, the District Court must seal all court records relating to the proceeding if the proceeding did not result in a judgment of possession. On motion by a tenant, the District Court may seal all court records relating to a failure to pay rent proceeding that results in a judgment of possession if the tenant demonstrates by a preponderance of the evidence that the tenant exercised the right of redemption and at least 12 months have passed since the final resolution of the proceeding that the tenant seeks to seal or the district court determines that it is in the interest of justice that the court records relating to the failure to pay rent proceedings be sealed. The District Court is required to seal the court records within 30 days after granting the tenant's motion to seal.

MMHA has worked closely with the Sponsor on House Bill 181 and appreciates the opportunity. MMHA has no objection to shielding a landlord/tenant action if the final resolution resulted in a dismissal or order for the tenant in a judgment of repossession.

For these reasons, we respectfully request a favorable report on House Bill 181.
