

I adamantly oppose SB0738, please rename it for what it is and what it is pushing:

THE RIGHT TO READ PORN BILL

We all see what this bill is attempting to do. This bill gives any and all teachers and librarians the right or ability to **SHOW OBSCENE AND PORNOGRAPHIC MATERIALS TO MINORS.**

You've already told us you/they are coming for our kids and want to influence them younger, age 3 and up.

SAY NO TO THIS BAD and highly inappropriate bill,
