RE: HB 953 – Support

Dear Chair Pena-Melnyk and Members of the Committee:

Kaiser Permanente is pleased to support HB 953, “Maryland Health Benefit Exchange – State–Based Young Adult Health Insurance Subsidies Pilot Program – Amount of Annual Subsidies.”

Kaiser Permanente is the largest private integrated health care delivery system in the United States, delivering health care to over 12 million members in eight states and the District of Columbia.¹ Kaiser Permanente of the Mid-Atlantic States, which operates in Maryland, provides and coordinates complete health care services for over 825,000 members. In Maryland, we deliver care to approximately 475,000 members.

Kaiser Permanente has been a consistent supporter of the Young Adult Subsidy Program. This bill allows the Maryland Health Benefit Exchange to carry over unspent funds designated for subsidies for young adults in a previous calendar year. Our understanding is that, among other things, it will allow MHBE to award subsidies to young adults this year who were eligible but for whom funding was not available.

Thank you for the opportunity to comment. Please feel free to contact me at Allison.W.Taylor@kp.org or (202) 924-7496 with questions.

Sincerely,
