RE: SB0738 – Freedom to Read Act

Dear Delegates,

We oppose SB0738 and request that you vote against it.

Our public libraries, both in and out of schools, are becoming hotbeds for obscene and sexual dysfunctional information never before seen in our country. We oppose the free pass that teachers and librarians would receive to show obscene material to minors if this bill was passed. We feel that this kind of “teaching” is more damaging to our youth than “educational” and promotes moral and gender confusion rather than assistance or clarification.

Sincerely,

Christine Hunt
