SB 278 – “Tax Relief & State Personnel Equality for Servicemembers Act”

I am Senator Bryan Simonaire presenting SB 278.

I am very excited to be presenting a package of bills that represents the most comprehensive overhaul of military law in our state’s modern history.

The package consists of 8 bills:

At the core is SB 275 - Modernization of Military Laws Act

Along with 7 other bills covering all of Maryland Laws

I have worked directly with the Uniformed Services, military advocates, federal and state agencies, military legal experts and our DLS legal counsel to draft a consensus and workable solution.

This being the first bill hearing of the package I wanted to give you an overview of what the package does:

1. Completely restructures Maryland’s military law into the 21st century with modernized and standardized terms that are also strategically centralized in one location
2. Establishes consistent and equal benefits among all 8 Uniformed Services branches and reserve units, and
3. Authorizes the Department of Veterans and Military Families to provide support to our service members, in addition to our veterans.

The advantages are namely:

1. Updates current laws to provide over 100 additional benefits that were being denied to various former and current service members simply because of inconsistent and outdated terminology.
2. Creates a centralized structure that facilitates easy, consistent and standard military laws for future revisions.
3. Codifies the Department’s authority and duty to support the service members.

This comprehensive legislative package updates more than 230 sections with over 500 revisions touching nearly every article.

But first a brief refresher on terms so my presentation makes sense:

The term 'Uniformed Services' is comprised of 8 federal branches.

There are 6 military branches of the Uniformed Services (~ 1.3 million active duty):

Referred to as the 'Armed forces':

Air Force, Army, Coast Guard, Marines, Navy and Space Force

There are 2 non-military branches of the Uniformed Services (~6,000 active duty nationwide)

- Commissioned Corps Officers of the Public Health Services (PHS)
- Commissioned Corps Officers of the National Oceanic Atmospheric and Administration (NOAA)

I am sure we are all familiar with what our military branches do, but some may not realize what the other non-military branches do to protect our nation.

I won't discuss all PHS and NOAA responsibilities, but I will highlight a few tasks.

PHS sent hundreds of officers over to Afghanistan to assist during the war. Additionally, they were sent over to Africa to help when there was an Ebola outbreak to contain it.

NOAA is involved in almost every mission performed by our military through its coordination of their satellites and weather capabilities. Additionally, you may not know that NOAA was in the Gulf helping sweep for mines during the war.

And that brings me to SB 278. which updates the State Personnel and State Personnel, Tax – General and Tax – Property Articles primarily.

These updates extend current benefits to all our service members, such as:

To highlight some of the revisions, this bill:

1. Provides a standard federal definition of 'Uniformed Services' that is also used in other articles,
2. Provides clarification and consistency with the term 'military' to ensure all branches are receiving the Subtraction from the Federal Adjusted Gross income,
3. Revises the term 'enlisted' to be 'membership in the Armed Forces' to codify existing practice of including officers, not just enlisted personnel for benefits,

4. Updates the tax abatement for death in the line of duty provision to also include PHS's work in dangerous environments,
5. Provides revisions on numerous property tax credits for armed forces apply to all branches of the Uniformed Services,

Lastly, I would note that in general, these bills are not changing the underlying policy but providing equality among our service members. And worked very hard to keep the fiscal note to zero or within all the Department's current budget.

I could go into much greater depth but will stop there and say, "For all these reasons, I ask for your favorable consideration."
