RE: Fire/EMS Coalition Support for Senate Bill 396

Dear Chairman Barnes, Vice Chairman Chang, and Members of the Committee,

The Fire/EMS Coalition would like to express their support for Senate Bill 396: **Public Safety Officer - Performance of Duties - Death and Disability Benefit**. This bill entails altering the circumstances under which certain individuals are presumed to have died as a direct and proximate result of an injury sustained in the performance of duties for purposes of eligibility for death benefits. It also incorporates 911 specialists to become members of the Law Enforcement Officers' Pension System.

The Fire/EMS Coalition supports Senate Bill 396 for the benefit of the families left behind in the unfortunate event of the death of first responders in the line of duty. We also are in full support of 911 specialists becoming members of LEOPS as they are an integral part of our emergency services.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mike McKay'.
