RE: Support for SB0656-Baltimore County Board of Education - Alterations of Elected Member Districts and Establishment of Redistricting Process

Dear Chair Feldman, Vice Chair Kagan, and Members of the Committee:

The Randallstown NAACP is a 500 member branch located in Baltimore County, Maryland. We have members in Baltimore County and Baltimore City. One of primary focuses is ensuring the quality of life for all residents especially black Marylanders free of discrimination. Our branch is here to advocate and support our children and especially our black children to get a world class education

The Randallstown NAACP has received many concerns that the past school

boards have been too political and not focused enough on our children. This bill gives us the tool to ensure some balance on the Baltimore County School Board. **The Randallstown NAACP supports SB 0656 and requested a favorable vote out of this committee.**

yours
